

Principals' **Support Group**

The idea of this Support Group is to assist Principals with their daily workload by the sharing of ideas and other practices that work well in their schools. Based on the mutual expertise and experiences of those at the table it is hoped to develop a Support Group that will be self-sustaining as we move forward.

For this initial meeting please bring one idea or practical task that works well in your school. If you wish, also bring a question to be dealt with confidentially by your colleagues. These shared experiences may make life a little easier !

Athlone Education Centre Wednesday, 24th February

2.00 to 4.00pm (Tea & Coffee on arrival)
